DECLARATION OF DR. R. JOHN COLLIER

1. I am a joint inventor on the above-referenced patent application.
2. I have read the Office Action mailed January 8, 2003.
3. Any description of the above-referenced invention in WO 99/42473 was my contribution alone, notwithstanding the inclusion of the additional inventors.
4. Erika L. Benson, my co-inventor on WO 99/42473, contributed to point mutations in anthrax protective antigen that are not claimed in U.S.S.N. 09/848,909.
5. Alan Finkelstein, my co-inventor on WO 99/42473, contributed to point mutations in anthrax protective antigen that are not claimed in U.S.S.N. 09/848,909.

6. I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patents issued thereon.
